MANY THANKS TO OUR 2015 CITY CALENDAR SPONSORS

HAPPY NEW YEAR, ST. CLAIR SHORES

The St. Clair Shores City Council, City Administration and Staff wish you, our citizens, good health, good fortune, and a continued good life in our City during 2015.

As your Mayor, it's my pleasure to present you with the 2015 City Calendar. Once again the generosity of our business community has made the production of this calendar possible at no cost to the taxpayers. As always, the 2015 City Calendar includes important meeting dates, tax deadlines, contact numbers as well as events and activities happening in our City through the year. It also includes a Waste Disposal Guide in the back for your reference. Our coupon pages were so successful the last three years, we decided to add them to the calendar again this year. We encourage you to Shop and Dine in the Shores and support our business sponsors whenever possible. A strong local economy is vital to the overall health and welfare of our City and its residents as a whole.

St. Clair Shores has a proud reputation as a "full-service" community with first rate fire and police services, abundant recreational opportunities on land and water, and outstanding City services . Conservative budgeting practices and long-range planning has kept our overall operating position sound. For 2015 and beyond, we pledge to continue to be good stewards of your taxpayer's dollars, to promote transparency in government and to preserve and enhance the already outstanding quality of life enjoyed by our citizens

yard waste

The State of Michigan defines **YARD WASTE** (or compost) as leaves, grass clippings, garden debris, shrubbery trimmings, brush or tree trimmings. Sod, dirt, hay, fruit, animal feces, tree stumps, gravel or stones are NOT considered yard waste. In the City of St. Clair Shores, **YARD WASTE season generally runs from April 1st to the second Friday in December**. Per Michigan State law, it is illegal to mix **YARD WASTE** with solid trash during this period.

NORMAL YARD WASTE DISPOSAL

- Place all yard waste in paper lawn bags or in 20 to 32 gallon containers clearly marked **YARD WASTE**. Use paper lawn bags whenever possible to alleviate wet compost sticking to the bottom of the container. Do NOT put compost into plastic bags.
- All brush 4 feet or less in length and not greater than 4 inches in diameter MUST be placed in lawn bags or containers marked **YARD WASTE** or tied in bundles weighing 60 pounds or less... heavy twine or rope works very well. Place curbside on your regular service day.

LARGE BRUSH DISPOSAL

- **LARGE BRUSH COLLECTION** is available for disposal of large pieces of brush generated by non-commercial removal from a single-family residential property. **The program runs from April 1st to the second Friday in December.**
- **LARGE BRUSH** is defined as: pieces of brush longer than 4 feet in length and no greater than 4 inches in diameter.
- To ensure service: **YOU MUST CALL RIZZO BY 4PM THE DAY BEFORE YOUR REGULAR SERVICE DAY (FRIDAY IF YOUR SERVICE DAY IS MONDAY).**
- **MATERIALS NOT ALLOWED:** No branches or limbs greater than 4 inches in diameter. No stumps, root or dirt balls. For the safety of workers, all branches with thorns must be tied and bundled or placed in lawn bags/YARD WASTE containers and set out with normal yard waste (see guidelines above).
