

2013 FIRST STATE BANK FIREWORKS EXTRAVAGANZA

Many, many thanks to the businesses, organizations and individuals listed below. Without their support, our fireworks display would be just a memory (Note: No City taxpayer dollars were used to fund this event!)

- Michael Agnello Jewelers
- Anderson, Eckstein & Westrick
- Beechwood Manor
- Bernco Construction
- El Charro of St. Clair Shores
- First State Bank
- Fishbones Rhythm Kitchen Café
- Fleetwood Collision
- Italia Construction
- Janssen Refrigeration
- Jeffery Nissan
- Joseph's Party Shop
- JWorks Construction Inc.
- Kaul Funeral Home
- Lahood Lanes Inc.
- Malooof Jewelry & Gifts
- Mastro's Ice Cream Parlor
- Duane Michno
- National Coney Island
- Nino Salvaggio Interntl Marketplace
- North Shore Apartments
- Nucci Veterinary Clinic, PC
- Opal's Hallmark
- Plante & Moran LLC
- Roy O'Brien Ford, Inc.
- St. Margaret Men's Club
- Service Floor Covering
- Walgreens
- Waters Edge Insurance Inc.
- Yates Industries

Fireworks at a glance:

- Admission: \$2 per person.
- Purchase wristbands in advance at the Parks & Rec Office at 20000 Stephens.
- Parking available in the lot at the corner of Jefferson & Masonic for \$5 per car. Limited spaces available. Purchase parking passes in advance at the Parks & Rec Office.
- NO PARKING on Masonic.
- Parking lot open at 2:00 pm.
- Veterans Memorial Park opens at 2:00 pm.
- Entertainment by: Outrageous Jams by Jamie and Elite Entertainment
- Splash Zone open until dusk.
- Fireworks synchronized to music that will also be broadcast on FM
- NO alcohol allowed in the park. SCSPD will check.
- NO pets allowed in the park.
- SCS Activities Committee will sell glo necklaces and other light-up items
- National Coney Island & Mastro's Ice Cream will sell food
- The concession stand is open.

FRIDAY, JUNE 28, 2013
VETERANS MEMORIAL PARK
(JEFFERSON AT MASONIC BLVD.)
STARTS AT DUSK!

Special Thanks

- Barry Beltz-Great Lakes Fireworks
- George Munger-Elite Entertainment
- Jamie Victory-Outrageous Jams
- St. Clair Shores Activities Committee
- St. Clair Shores City Council
- SCS Department of Public Works
- SCS Parks & Recreation Dpt.

Be a good neighbor

Key to a better community

Do's

- Keep grass mowed to less than 6 inches and remove any overgrown weeds or bushes. This not only looks nice, but helps keep out unwanted bugs and rodents.
- Pick up pet waste regularly and bring water bowls in at night. This helps avoid noxious odors and unwanted pests.
- Keep all garbage in metal or plastic containers with tight-fitting lids.
- Remove any abandoned vehicles and repair any holes in structures like garages, sheds or houses. Don't give rodents the opportunity to set up housekeeping in your home.
- Stockpile wood in a neat and orderly manner at least 18 inches off of the ground on open racks. Stockpiles cannot exceed a total height of 4 feet and cannot be more than 16 feet in length. No firewood can be stored in the front yard. Storage must be a minimum of 6 inches away from any fence.
- Clear ice and snow off your sidewalks and driveways. This helps prevent "slip and fall" accidents that may cause serious injury to children, adults or seniors.

The foundation of a good neighborhood lies in the type of relationships established among its neighbors. The first step in building a good relationship is respecting those next door, down the street and around the corner from your home.

While everyone has their own ideas of what a good neighbor and a good neighborhood should be, there are some basic standards set up by the City's codes and zoning ordinances or through common courtesies that make life better in our community.

Simply follow the Do's and Don'ts on this page and we will improve St. Clair Shores neighborhoods and the lives of the citizens who live in them one neighborhood at a time.

For more information about the City codes, ordinances, and permits needed for home improvements, call Community Development at 447-3340 or visit the City's website at www.scsmi.net

Don'ts

- Do Not ground feed birds, squirrels or other animals. Rodents see this as an easy source of food.
- Do Not allow water to collect in pots, buckets, containers, or swimming pool covers. It could attract and breed mosquitoes.
- Do Not park your car on the front lawn. Cars are required to be licensed, road ready, and parked on a paved surface.
- Do Not store excess trash and debris around your home. This helps keep rodents out of your yard and your neighbors.
- Do Not pour contaminants down the storm water drains. Remember that there are over 5,000 drains in the City that drain directly into Lake St. Clair.
- Do Not blow your leaves or grass clippings into the street. Even a handful of debris or leaves can clog the catch basin and cause your street to flood when it rains.
- Do Not begin any home improvement project — additions, basement, bathroom, or kitchen remodeling, decks, etc — without checking with Community Development. Many projects require a permit. Safety first!

GENERAL GUIDELINES FOR SOLID WASTE COLLECTION

BULK ITEMS:

Rizzo Services will pick up bulk items placed curbside on your normal collection day. No special arrangements are necessary.

- **APPLIANCES:** Any appliance that contains Freon gas such as refrigerators and freezers (for safety remove all doors) and air conditioners may be set out at the curb on your scheduled day. **Rizzo Services** is responsible to have the freon removed by a licensed technician at no cost to the resident. Residents may also place washers, dryers, water heaters, stoves, furnaces, microwaves, garbage disposals, trash compactors, heat pumps, water softeners and other large and small appliances curbside.
- **FURNITURE:** Living room, dining room, bedroom and office furniture are picked up at no charge to residents.
- **PORCELAIN PRODUCTS:** Porcelain can cause serious injury when broken and placed at the curb for collection and disposal. Remember to take adequate safety precautions with broken toilets or sinks. Whenever possible, secure with duct tape or cover the sharp edges with cardboard, tape and mark **BROKEN**.

CONSTRUCTION MATERIALS:

Rizzo Services will pick up small amounts of building materials (1/4 yard or less and properly contained) from residents who perform their own repairs or remodeling. This includes the following items...

- **WOOD & MOLDING (2X4, 2X2, ETC.):** Put in bundles no larger than 4 feet in length, 18 inches in diameter, and weighing no more than 60 pounds. Tie with heavy twine or rope. Remove or hammer down nails to prevent injury.
- **PLYWOOD:** Stack neatly in sections no larger than 4 feet by 4 feet. No nails.
- **SHINGLES & DRYWALL:** Place in 20 to 32 gallon containers weighing no more than 60 pounds. Heavy-duty cardboard boxes can also be used with a 60 pound weight limit. Please, do not put curbside for collection on rainy days.
- **BRICKS:** Rizzo Services will not pick up bricks in any quantity. Residents can dispose of bricks at the DPW Complex during *Long Mondays*, the second Monday of each month from April through October. The DPW is open from 7:00AM to 7:00PM on *Long Mondays*.
- **BROKEN GLASS (including mirrors):** NEVER place broken glass in plastic bags since it can cause serious injury. Put it in a metal container such as a coffee can, a heavy-duty cardboard box or a hard plastic container and mark it **BROKEN GLASS**. Be careful not to exceed the 60 pound weight limit and never exceed the strength of any cardboard box you use.

HOUSEHOLD HAZARDOUS WASTE:

The following items are toxic, flammable, corrosive or are reactive and can explode or give off poisonous gases: Anti-freeze, fungicides, gasoline glues, herbicides, household cleaners, most automotive solvents, paint thinner, pesticides, and oil-based paints. Contact the **Macomb County Hazardous Waste Hotline at 586-466-7923 (Press 5)** for more information on the safe disposal of these items.

Take Note...

✓ Trash...garbage...waste — whatever you call it — is ugly and dirty. Be a good neighbor! Place your trash, yard waste, and recycling at the curb between 6:00 PM the day before and 7:00 AM the day of your normally scheduled service. It's also the law (Ordinance # 35.258).

✓ Maximum container size for curbside collection of trash and yard waste is 32 gallons with a weight limit of 60 pounds. (larger carts are available for trash and recycling only. See page 4 for recycling and page 6 for trash.)

✓ **Rizzo Services** recommends using 1.5 mil thickness plastic bags in your trash containers to prevent leakage and breaking during service.

UNACCEPTABLE ITEMS

- Paper Milk or Juice Cartons
- Garbage
- Propane Tanks
- Paint Cans
- Medical Waste
- Flammable Liquids
- Household Cleaners
- Chemicals (Dry or Liquid)
- Wood Items

Q Will **Rizzo Services** pickup my old cast-iron tub and the broken bricks from my patio on pickup day?

A Use the handy guide below to determine what you can put out curbside on your service day and how it should be packaged.

- All bathtubs, including cast iron Curbside ok. No special handling.
- All bicycles Curbside ok. No special handling.
- Asphalt/concrete Not accepted for curbside service
- Batteries Not accepted for recycling.
Residents may drop off household batteries at Gilbert's Hardware, 21912 Harper Avenue (at 8 1/2 Mile) for recycling. Call 586-776-9808 for store hours.

- Batteries (lead-acid used for cars and boats) Drop off at the DPW Complex
- Car/Truck Parts/Engines Not accepted for curbside service
- Cardboard Flatten cardboard, cut into two foot by two foot pieces and tie in bundles weighing no more than 60 pounds. Place the bundles into or next to your recycling bin. (All cardboard that is not prepared properly will be collected with normal trash.)

- Carpet/Carpet Padding Cut into 4 foot rolls and tie in bundles weighing no more than 60 lbs.
- Compact Fluorescent Bulbs/Tubes (CFL) Not accepted curbside. Household Hazardous Waste. Call Macomb County Hazardous Waste Hotline at 586-466-7923 (Press 5).

- Compressed Gas Cylinders Not accepted. Hazardous Waste
- Doors: Hollow/Solid, Interior/Exterior/Patio Take glass out of door, if needed, place in a hard container and mark "broken glass".

- Flares (old road/boating signal) Not accepted. Hazardous Waste.
- Gas Grill No propane tanks
- Gasoline (old) Not accepted. Hazardous Waste.
- Fire Extinguishers Not accepted. Hazardous Waste.
- Lawn Mower Curbside ok. Drain oil & gas
- Musical Instruments No special packaging
- Needles/Sharps (disposable) Curbside ok. Place inside a container such as a metal coffee can, tape lid & mark "Sharps". Put in normal trash.

- Paint: Latex only Curbside ok with lid off. Dry paint first with sand or kitty litter.
Oil-based Not accepted. Hazardous Waste
- Plastic Bags (grocery store) Place in another plastic grocery bag and put in recycling bin.

- Drinking Straws/Pizza Boxes Place in recycling bin.
- Smoke Detectors Not accepted. Hazardous Waste
- Styrofoam Clean styrofoam only. No packing pellets.
- Swing Sets No poles with any cement on them accepted.

- Tires Not accepted. Belle Tire at Ten Mile Road and Harper is a licensed tire disposal facility and will accept a maximum of eight tires per visit at a fee of three dollars per tire.

- Windows Take glass out of window, if needed, place in a hard container and mark "broken glass".

Q How do I dispose of the items that **Rizzo Services** will not pick up?

A The D.P.W., located at 19700 Pleasant (behind Civic Arena) is open on the second Monday of each month—April through October—from 7AM to 7PM for residents to drop off household debris that Rizzo Services will not pick up. Limit: One "pickup-size" load per household per month. No Household Hazardous Waste. Contact the **Macomb County Hazardous Waste Hotline at 586-466-7923 (Press 5)** for more information on the safe disposal of these items.

frequently asked questions

yard waste

The State of Michigan defines YARD WASTE (or compost) as leaves, grass clippings, garden debris, shrubbery trimmings, brush or tree trimmings. Sod, dirt, hay, fruit, animal feces, tree stumps, gravel or stones are NOT considered YARD WASTE. In the City of St. Clair Shores, YARD WASTE season generally runs from April 1 through the second Friday in December. Per Michigan State law, it is illegal to mix YARD WASTE with solid trash during this period.

NORMAL YARD WASTE COLLECTION

- Place all YARD WASTE in paper lawn bags or in 20 to 32 gallon containers clearly marked YARD WASTE. **Rizzo Services** prefers the use of paper lawn bags over containers because wet compost tends to stick to the bottom of containers and may not be emptied fully during service. Do NOT put compost in plastic bags.
- Containers must have watertight lids, handles, and cannot exceed 60 pounds when filled. Hint: Secure your lids by attaching a 3/16" bungee cord to the lid and handle to prevent the lid from separating from the container and getting lost.
- All brush 4 feet or less in length and not greater than 4 inches in diameter MUST be placed in YARD WASTE bags or containers marked YARD WASTE or tied in bundles weighing 60 pounds or less...heavy twine or rope works very well. Place curbside on your regular service day.

LARGE BRUSH COLLECTION

Our LARGE BRUSH COLLECTION program is available for disposal of large pieces of brush generated by non-commercial removal from a single-family residential property. The program runs from April 1 through the second Friday in December.

DEFINITION:
LARGE BRUSH is defined as: pieces of brush longer than 4 feet in length and no greater than 4 inches in diameter generated by non-commercial removal from a single-family residential property. It does not include branches or limbs greater than 4 inches in diameter, stumps, root or dirt balls.

HOW TO SCHEDULE LARGE BRUSH COLLECTION:

To ensure service you must call **Rizzo Services** directly at 1-866-772-8900 by 4:00 PM the day BEFORE your regular service day (Friday if your service day is Monday). All chipping of LARGE BRUSH is done off-site. Collection will not take place unless you call.

WHEN, HOW AND WHERE TO PLACE LARGE BRUSH:

- On your scheduled collection day (after you have called **Rizzo Services**) LARGE BRUSH (as defined above) can be placed at the curb for collection from April 1 through the second Friday in December.
- Place LARGE BRUSH at the curb with all butt ends facing the same direction.
- Do not allow brush to extend over the sidewalk or the curb. Place brush parallel to the sidewalk, if necessary.

MATERIALS THAT ARE NOT ALLOWED

- No branches or limbs greater than 4 inches in diameter.
- No stumps, root balls or dirt balls.
- For the safety of workers, all branches with thorns must be placed in bags or YARD WASTE containers or tied and bundled for collection under the normal YARD WASTE program.

HOLIDAY COLLECTION SCHEDULE

If your collection day falls on or after one of the following holidays, your service will be delayed one day that week only. Normal service will resume the following week. (Note: If the actual holiday falls on a weekend, service may not be delayed. Check with the SCSTV Bulletin Board or the City's website at www.scsmi.net for updated information.)

- New Year's (January)
- Memorial Day (May)
- Thanksgiving (November)
- Independence Day (July)
- Labor Day (September)
- Christmas (December)

COUNCIL CONNECTION

Mayor Pro-Tem
Ronald J. Frederick

Hey could summer actually be here! After a great Parade - Memorial Day and it's true meaning seems to kick off summer with great things happening in St. Clair Shores. New this year is the

Huge Bass tournament (6/22) that will put us in the National Spotlight. Visit the usual fun events like Concerts in the Park (Wed. - June, July, Aug) and The Fireworks (6/28). Watch for The Cool Cities Committee's new Light House Project on the heels of their very successful Bike rack program that now gives them a track record that will lead them to what I will portray as one of the biggest events for St. Clair Shores (next year). Dragon Boat Racing - Google it! ...The Race features 45 foot long boats with 22 person teams rowing and competing. In 2011 Tampa Bay held the World Championships, San Francisco hosted over 80 teams as well! We talk about taking advantage of the Waterfront well here is another great way to do it! So let's encourage the Cool Cities Committee, help them with their fundraising and work to make sure we capture one of these sought after events for the summer calendar in St. Clair Shores! If you are interested in getting involved with any of these events especially the Cool Cities please contact me or go on the City website to apply.

In the meantime, let's enjoy how good the City looks - thanking the Beautification Commission for their efforts, Parks and Recreation for the fields/parks/pool and DPW for their hard work. It's great to see the walkers, bikers and runners all taking advantage of our community's beauty.

As we enjoy a Dairy Queen cone, a Wally's Frozen Custard, a meal at Butter Run, Boat Works, Roses, Gilberts or on the Nautical Mile, as we watch Buffalo Wild Wings begin to take shape, we know there are many new businesses kicking the tires across the map. It's exciting for St Clair Shores.

The stewards of our City change from time to time, please know as your Mayor Pro-Tem and Council person for almost 8 years, that I am a proponent and encourage you to make sure the Police and Fire services remain strong, our Seniors are not forgotten and the recreational programs are the best in the area. We compete for residents and businesses not only to locate here but to STAY here. The values of our great city should be reflected in the people that serve. You can insure that by voting in the Primary in August and the General Election in November. Think about how you can get involved in a committee to be part of the great volunteer force that makes St. Clair Shores a great place to Live, Work and Play!

You can contact me via e-mail at rfr frederick@scsmi.net or call my cell at 808-3478.

NEWS FLASH... ONLINE GOLF TEE TIMES NOW AVAILABLE

The St. Clair Shores Golf Club is proud to announce our new ONLINE tee time booking system. It's easy to use. Visit the City's website at www.scsmi.org and go to the Golf Course under the *Departments* tab or go to www.scs golf.com on your computer to book tee times from anywhere at any time using a computer or your mobile phone. You will see the dates, times and number of spaces available. St. Clair Shores Golf Club members will receive 7 day in advance privileges; non-members will have 4 days in advance. Membership information is also available online and is still accepted at the St. Clair Shores Golf Club. Visit our webpage to book your tee time today! For additional information or questions, call 294-2000.

... just the facts

ST. CLAIR SHORES FIRE DEPARTMENT

For decades, fire departments in Macomb County provided assistance to each other in the form of mutual aid. In the late 1950's a formal resolution (the Macomb County Mutual Aid Pact) was adopted which legally bound those who signed the agreement to provide assistance for firefighting and other related emergencies.

The resolution, as adopted, is the foundation for mutual aid assistance. This document provides the standard operating procedures which make the mutual aid resolution a workable resource. The Macomb County Fire Chiefs Association provides the leadership necessary in developing and implementing the policy, procedures and protocol. The fire departments and their personnel provide the work force to make it all reality.

The regulations mandate the type of equipment and manpower required. On-going training and procedural updates keep every department's manpower well versed in common techniques. This assures consistent operation at all scenes. Some of these protocols include: establishing a marked command post, helmet and vest identifications, systems to assure the accountability of all members involved in an operation, regulations that govern special alarms and hazardous material incidents, as well as protocols for mass casualties. Established "running sheets" are reviewed yearly and/or as necessary and available to all personnel. This insures that everyone knows and understands whom is responding and to where.

Radio communications are imperative. A few years ago the county departments converted to the 800 mega hertz radio system which insured the best interoperability communications possible. It not only allows fire departments to communicate with each other, but also to communicate with multiple agencies including local and state police, emergency management, and hospitals.

The standard operating procedure includes terminology, task force operations in the event of a natural disaster, or other unforeseen event, that would ensure high numbers of people and equipment activated in a short time period to assist.

Continued training and updates include the Rapid Intervention Team (RIT) training which basically trains personnel how to save themselves. Additionally, training and procedures were established to ensure a dedicated team in the event of a firefighter in trouble. Besides common training, similar gear/equipment, established labeling have all established to ensure proper care for all county firefighters in the event of an incident that would prevent them from helping themselves immediately.

It is this type of collaborative effort between the fire departments in Macomb County that has and will continue to save countless lives and property.

Inside Our City

Our community has had a difficult period for the last nine months. City employees have taken an especially hard hit. We lost long time Finance Director/Treasurer, Tim Haney this

Mayor
Kip C. Walby

month. This past winter we also suffered the loss of Firefighter Jim Nichols. Along with these tragedies, there have been some extremely difficult personnel changes at City Hall. We have been left stunned, sad, and shocked by the way events have unfolded, and we are hoping that there is no more sadness on the horizon.

It is human nature to reflect on the big picture at times like this. It has been rough for City employees to lose co-workers and friends, as well as seeing the families of these men suffer. It seems that the obvious question is "Why?" Why do these terrible things happen so unexpectedly? It is also clear that we cannot come up with an answer to that question.

The best we can do is to try to be available for each other to talk things out, and to be grateful for the blessing of each new day. Part of the lesson we have to take away from this is that each day is precious, and to make sure that those we love and care for know unequivocally how important a place they hold in our hearts.

My observation during this time is that the City employees have been exceptional under stress. In spite of all the recent difficulties, they have maintained services to the residents at a high level, as usual. Many workplaces would have suffered a huge blow to morale; our City workers have appeared to be the definition of grace under pressure. The level of professionalism has not changed at the City offices, and I am proud of that. I would put our employees up against any community for comparison with confidence that our City workers are the cream of the crop.

St. Clair Shores has indeed been hit hard emotionally of late, but the status of our finances is very strong. This of course is due in large part to the work of Tim Haney to hold on to as many dollars as possible. Mayor and Council also worked toward improving the money situation fairly diligently. We have spent these last years streamlining our services and we are in a good place with our General Fund balance.

While these statements don't make up for the tragedies, we know St. Clair Shores has been left in good standing, and we can go forward as a community knowing that there is a stable financial outlook, even in these tough economic times. So we will do our best to carry on.

As always, your comments/concerns are welcome. You can email me at walby@scsmi.net or call me at 445-3983.
